Ofsted Pre-registration Inspection

Ofsted visited Waltham Gateway Academy on 4th June to complete the Pre-registration Inspection and I am delighted to say that this was successful. The Inspector was very happy that everything is in place and that the school is in a good place and is ready to open. He visited the school site and said what a lovely school it is going to be.

Playgrounds for Reception and The Nest

Visit to the school site

On Thursday 10th July, from 3:45pm, we will be inviting children onsite to walk the school. We will be in groups of 10, and each child may bring one grown up onsite with them. If needed, teachers can accompany children. Everyone needs strong footwear – no open toe shoes, ballet pumps etc. Tours will be fast paced to accommodate everyone but there will be time to talk to staff before and after the visit. There are no public toilets available so please bear this in mind. Please confirm your attendance on the Microsoft link sent out.

Reception Teacher

My name is Miss Grayson and I am the Reception teacher. I can't wait to meet you.

School timings

School opening hours

8:50 – 3:30, arriving from 8:45

Wraparound care

7:30–8:50 and 3:30–6:00
